Pat, Wes & Kevin,

Over the weekend I tasked my folks to run these figures. I didn't want to be holding a empty bag at the end of the day. I hope this will assist with the estimate of demolitions of the schools. I feel we still need to pursue the ISD figures for more of a exact estimate.

Mike

Mike,

Attached are 3 maps showing the outline of the schools in West and their associated areas in square feet. I broke out some buildings if they look separated to try to have a more accurate area for them. If you have any questions on them or need me to make something a little better, just ask. I'm here till 11 tonight.

Thanks,

Dean
